

We call it spinnaker gear classic because it lasts year after year

This series of spinnaker sleds has proven it self through decades. Made of acid-proof steel with solid welding makes them virtually impossible to wear out.

The sleds can be fitted with slide pins of plastic, which by the way, slides even better if rubbed with stearin. Just like the sleds in the mast groove.

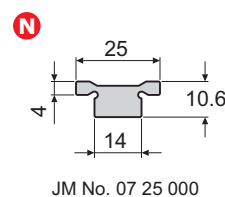

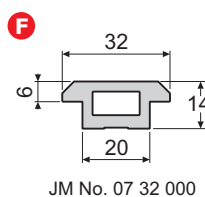

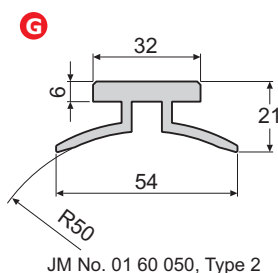

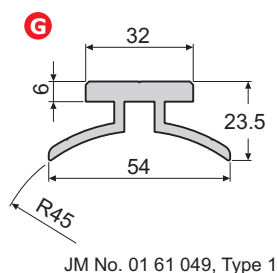

32mm spinnaker track

Item	Eye Ø	Ring Ø	JM No.
A Spinnaker sled w. stop	30	10	01 61 096
B Spinnaker sled w. stop	45	12	01 61 097
C Spinnaker sled w/o stop	45	10	01 61 100
D Plastic end-stop, small			07 32 001
E Plastic end-stop, large			01 60 043
F Track			07 32 000
G Track with flange, type 1			01 60 049
G Track with flange, type 2			01 60 050

25mm spinnaker track

Item	Eye Ø	Ring Ø	JM No.
H Spinnaker sled w. stop	30	10	01 61 093
I Spinnaker sled + stop & lock	30	10	01 61 092
J Spinnaker sled w. stop	45	10	01 61 099
K Spinnaker sled w/o sled	30	10	01 61 094
L Spinnaker sled w/o stop	45	10	01 61 098
M Plastic end-stop			07 25 001
N Track			07 25 000
